LOST MANHOOD

Varicocele, Impotency and Waste of Manly Power are Quickly and Forever Cured by the Grand Product of Nature, Dr. McLaughlin's Electric Belt. Send for the Free Book.

ELECTRIC SUSPENSORY FOR WEAK MEN.

This Electric Suspensory carries the current direct to the weak parts and cures all weakness of men, varicocele, etc. It develops and expands all weak organs and checks unnatural drains. No case of Failing Vigor, Varicocele or Debility can resist the powerful Electric Suspensory. It never fails to cure. No charge with Belts for Weak Men.

No man should be weak; no man should suffer the loss of that vital element which renders life worth living. No man should allow himself to become less a man than nature intended him; no man should suffer for the sins of his youth, when there is here at hand a certain cure for his weakness, a check to his waste of power.

Most of the pains, most of the weakness of stomach, heart, brain and nerves from which men suffer are due to an early loss of nature's reserve power through mistakes of youth. You need not suffer for this. You can be restored. The very element which you have lost you can get back and you may be as happy as any man that lives.

My Electric Belt, with Special Electric Suspensory (free), will restore your power. It will check all unnatural drains and give back the old vigor of youth.

DR. McLAUGHLIN:

Dear Sir—I feel that I am in duty bound to you and suffering humanity to make a statement in regard to what your Belt has done for me. When I purchased your Belt I was in a bad condition; was compelled to take medicine every day to move the bowels, and my kidneys and liver were so bad that the least jar would give me great pain. My back was so lame that when I sat down it was almost impossible for me to get up again. If I had not purchased your Belt when I did I believe that I would not have lived much longer. After using the Belt for a short time I found the results beyond expectations. All of the above symptoms disappeared. I consider your Belt the best in the market today and highly commend the attention given each patient while under your care. Yours truly,

JOHN E. WARD.

This drain upon your power causes Kidney Troubles, Rheumatism and Stomach Ailments. You know it's a loss of vital power and affects every organ of the body. Most of the ailments from which men suffer can be traced to it.

I have cured thousands of men who have squandered the savings of years in useless doctoring.

My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no sting or burn, as in old-style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

SURE INDICATIONS OF BAD BLOOD

OLD SORES ULCERS ABSCESSSES

There is no better evidence of a bad condition of the blood and unhealthy state of the system than a sore that won't heal, or a festering, discharging Ulcer or Abscess. There are many ways by which the blood may become contaminated and poisoned. A long spell of malarial fever or other debilitating sickness, the excessive use of mercury in certain diseases, inactive kidneys and the system to become congested with impurities which are taken up by the blood, and wherever the flesh is bruised or scratched a festering sore or discharging ulcer begins. A boil or blister, pimple or burn often develops into a frightful looking sore because of the unhealthy condition of the blood, and the place will continue to grow and spread, finally reaching the bones and causing them to decay unless the blood is purged and purified and the system thoroughly cleansed of all morbid and unhealthy accumulations. This cannot be done with washes, salves and soaps, which only afford temporary relief.

Such things neither make the blood any purer nor the system any cleaner, and to depend upon them alone is suicidal and senseless. The sore or ulcer is only a symptom, an outlet for the poisons circulating in the blood, and as long as it remains impure the sore will never heal. It may scab over and appear to be getting well, but a fresh outpour of matter from the diseased blood starts it again, and thus it goes on, sometimes for years, slowly sapping away the life of the patient.

The only way to get rid of these disgusting evidences of impure blood is to remove the cause by purifying the polluted blood, and nothing does this so surely and effectively as S. S. S. It drives out of the circulation impurities and germs of every kind; and under the tonic effect of this great remedy the general health rapidly recuperates and broken-down constitutions are built up and strength and vigor are restored to all parts of the system. When S. S. S. gets into the circulation, impurities that have been clogging the blood and causing the old sore or ulcer, are driven out through the natural channels of the body, and the place begins to heal, the discharge gradually ceases, new flesh forms and smooth, healthy skin hides all signs of the painful, sickening sore.

S. S. S. is an entirely vegetable remedy, containing both purifying and tonic properties, making it the ideal medicine where the blood is out of order and the health undermined by some previous ailment resulting in chronic sores, ulcers, boils or abscesses.

A sore that does not heal promptly, no matter how small, will bear watching. It is a sure indication of bad blood, and may develop into something far more serious than a common ulcer. It may be Cancer. Through our medical department we are rendering valuable help to those afflicted with sores and ulcers of various kinds. Write us, and our physicians will advise you without charge.
